# OBI 2021 Annual Session

---

Bioesthetics®  
BIRTH TO BEST LIFE

LAS VEGAS October 14-16

Save big by July with Early Registration!

# INVITATION & WELCOME

## Welcome to the OBI 2021 Annual Session!

Bioesthetics®: Birth to Best Life!

It is my honor to co-chair the 2021 OBI Foundation Annual Session along with my friend and colleague, Dr. Jeff McClendon. Over the last few years, our Annual Meetings have updated our operating systems — our beliefs about Bioesthetics® and allowed us to integrate new data, methods and technologies. But this year, we want to go back to the beginning, back to infancy and childhood and attempt to answer the question:

“Can we support the growth of a child in a way that allows them to develop into their optimum genetic health?”

....And if their genetics and biology are such that they become obstacles to that optimum health, what is available to their care team to assist them in achieving their best outcome?

We have brought together leaders in their respective fields, as well as leaders in Bioesthetics®, to fill your days with learning and comradery and present things that will likely cause you to go on a journey yourself after this weekend in Las Vegas. We hope to deepen your understanding of these topics and how you can integrate them into your practice and not only help adults with transformational outcomes with Bioesthetics® but Save the Children! Giving you the potential to transform your personal offering to deliver optimal care — from Birth to Best Life!

We are so glad you will be joining us! We are so happy to finally come together, in person. To learn, to laugh and to hug again! To be around colleagues and celebrate life and the freedoms we enjoy within our profession and in our lives.

See you in VEGAS!

**Michael Edwards, DMD**  
2021 Chair

**Jeff McClendon, DMD, FAGD**  
2021 Co Chair

**Sharon Dickerson, DDS**  
2021 ABD Chair
